Your Guide to an American Home Shield® Home Warranty

What is a Home Warranty?

An American Home Shield Home Warranty is a one-year service Agreement that covers the repair or replacement of many major home system components and appliances that typically break down over time due to normal wear and tear.

We can help — whether you're buying or selling a home.

Home Buyer Benefits

- Gain confidence and comfort knowing your hard-earned investment is covered by an industry leader.
- Protect your home and budget from the costs of covered repairs related to undetectable pre-existing conditions, such as lack of maintenance and mismatched systems.
- Trust the reliability of our nationwide network of service professionals.

Home Seller Benefits

- Mitigate unexpected, covered issues from the home inspection to keep your sale on track.*
- Market your listing more effectively by confirming your home is covered against unexpected, covered breakdowns.
- Maintain your budget by managing the potentially high costs of covered repairs on included systems.*

* Subject to a \$2,000 cap for all trades during the listing period.

Why American Home Shield?

Every plan CAN HELP PROTECT YOUR BUDGET:

- You won't have to pay the full cost of repairing or replacing items covered by your home warranty plan.
- The service Agreement helps cover the repair or replacement of covered items, regardless of age — and a home inspection is not required.
- If the covered item can't be repaired, we'll replace it or offer an alternative solution!

Know your home is covered.

For more than 45 years, our goal has remained the same — to help protect our customers' homes, while providing convenient and excellent service.

Over 15,000 licensed and qualified service professionals.

We go to great lengths to ensure contractors meet our standard of quality.

We stand by our work.

If a repair or replacement fails within 30 days of service, we'll send a contractor back to address it at no additional cost. That's one of the reasons more than 1.7 million homeowners trust us to protect their homes.

We're here for you.

As the nation's largest home warranty company, we pay more service requests than any other home warranty company in the nation. That's added up to more than \$2 billion over the last 5 years.

You've already upgraded.

Like all home warranties, there are limitations and exclusions. But, all three of our plans cover failures and expenses from a range of causes that are often excluded from other home warranties.

Livable and forgivable coverage is included at no additional cost on all American Home Shield plans:

Failure due to:

- ✓ Lack of maintenance
- ✓ Rust and corrosion
- ✓ Sediment
- ✓ Mismatched systems
- ✓ Undetectable pre-existing conditions
- ✓ Improper installations, repairs or modifications

And also:

- ✓ Removal of defective equipment
- ✓ Refrigerant recapture, reclaim and disposal
- ✓ Permits (\$250 per Agreement term when required during a covered repair or replacement)
- ✓ Code violations (\$250 per Agreement term when required during a covered repair or replacement)

Build your coverage.
